General J. A. Anderson
Commissioner of Highways
Richmond, Virginia

Dear General Anderson:

The local newspapers recently reported that you plan to retire as State Highway Commissioner early in the new year.

As an official of the State you have made an enviable record and it has been a source of real satisfaction to have worked with you in connection with the new Central Intelligence Agency headquarters building. The fair and sympathetic consideration which you gave our traffic problem is genuinely appreciated and I am sure that we will soon have the highways and a building for which the Federal Government and the State of Virginia can be very proud.

I send warmest regards and best wishes for your continued happiness and good health in your retirement.

Sincerely,

STATINTL OL/BPS [redacted] :mec
